...the California Fruit Growers' Association upon their respective parts of the undertaking. THE GENUINE PACIFIC HIVE COMPLETED 500 MILES LAST YEAR and other materials for two hundred miles more upon the ground, and one hundred additional miles are ready for the truck. They will use a much larger force employed this year than ever before, and it is expected that between

Onaba and Sacramento will be traversed by rail to 1930.

THE GOVERNMENT BORNS 12,500 acres of land, and its Bonds to the average amount of \$2500 per mile, to aid in the construction of the line, and authorizes the issue of the First Mortgage Bonds to the same effect, to the same amount and on the same terms. The Government takes no interest in the sale of the First Mortgage Bonds other than to give to the First Mortgage Bondholders a prior lien.

It is universally admitted that on the completion of the Union Pacific Railroad, its through business will be cut out of the profits of the line— but its loss to the business already existing there the least on its bonds; so that, if not another mile were built, they would be a secure favorer of the line.

year an average of \$36 million are officially reported at \$4,000,000, 1936, while the interest on all the bonds it could issue on short length of road for that time, reduced to currency, was only \$348,556.

The amount paid by the Government for the transportation of troops, munitions, stores and mail has been, and will continue to be, a very small percentage less than the interest on the United States Second Mortgage bonds. If it is not, the charter provisions that after the road is completed, and until said bonds and

The Union Pacific Bonds are for \$1,000 each, and have coupons attached. They have thirty years to run, and bear annual interest, payable on the first days of January and July at the Company's Office in the City of New York, at the rate of four per cent a year. The Principal is payable in gold at maturity. At the present rate of gold, these bonds pay an annual income on their cost of

NEARLY NINE PER CENT,
AND IT IS BELIEVED THAT THEY WILL
SOON BE AT A PREMIUM.

The Company have but a very limited supply of their Bonds remaining on hand, but any subscriptions accepted to a greater amount than can be filled from Bonds now in the Company's possession, will be supplied from the New Bonds to be hereon authorized in the portion of the road completed to the Springs, in the section
